### Conclusions:

#### Introduction by Nick Drager (WHO)

Challenges/Lenses Underpinning the Design of GHG: Moral and Ethical Principles, Universalism, Right to Health, Justice and Dignity

#### Follow-up processes

#### Organization of discussion in the workshop:

Each session comprises two contributions of no more than 20 minutes; they will be followed by a prepared comment of about 5 minutes and a general discussion of 15 minutes. This leaves about 10 minutes for additional comments and a summary by the chair.
