

German Foreign Office  
Forum Global Issues

# PREVIEW

## INVESTING IN PEACE:

### Spurring Private Involvement in Post-Conflict Peacebuilding

Thursday 11–Saturday 13 January 2007

#### WP848 WILTON PARK CONFERENCE

in co-operation with The German Federal Foreign Office  
Supported by the Global Public Policy Institute

*What are the key risks for business operating in conflict and post conflict scenarios? How to manage these most effectively? What are the key vehicles to use? Which industries are of prime importance in conflict and post-conflict situations? What are the basic legal requirements? How to improve public and private sector interaction. What role for the UN, other multilateral institutions and national governments? How to transfer, share knowledge.*

Speakers invited and themes proposed (\* = to be confirmed)

This is a preview programme and as such may be subject to change.

This conference is open to those with expertise to share or an interest in the theme; our aim is to have a broad spread of nationalities and institutions represented. The contribution to costs, normally £995 covers all accommodation and meals, attendance at all sessions, and transport from and to Gatwick airport at the beginning and end of the conference. Special rates may be available for those from non-OECD countries, Central, and SE Europe, and also academics and NGO representatives.
