

Jan Martin Witte, Ph.D.

Email: jmwitte@gppi.net

CURRENTLY

Co-Founder and Associate Director, Global Public Policy Institute (GPPi), Berlin (since 2002) and Managing Director, GPPi Consulting GmbH (since 2006)

- Incorporation, strategy and business building for GPPi research as well as consulting practices
- Responsibility for finance and HR
- Responsible for development and fundraising activities (including foundation and private sector fundraising)
- Responsible for implementation of various research projects, including conceptual development and grant writing. Focus on: Global energy governance, global programs and global public goods, private sector development, role of private donors
- Recent projects include:
 - *Global Energy Governance in the 21st Century*. A two-year research and dialogue program assessing the changing international institutional architecture for the management of global energy issues including resource governance (funded by the European Commission, the German Marshall Fund and the Dräger Foundation).
 - *Raising the bar*: Enhancing transatlantic coordination and cooperation in humanitarian relief. An 18-month research and dialogue program designed to assess approaches to humanitarian relief on both sides of the Atlantic and to promote joint approaches (funded by the European Commission).
 - *Role of private donors in international development*. A strategy research project assessing the significance of private donors in international environment and development and implications for the international aid architecture (funded by the German Federal Ministry for Economic Cooperation and Development).
- Responsible for implementation of various consulting assignments. Focus on strategy, review and monitoring and evaluation of donor programs
- Recent projects include:
 - *Principles for a "best practice" strategy in the use of Public-Private Partnerships in German development assistance*: an international benchmarking of public-private development alliances amongst the major multi- and bilateral donors with subsequent strategy formulation and dissemination of results in an international learning forum (commissioned by the German Federal Ministry for Economic Cooperation and Development).
 - *Strategic evaluation of the Global Reporting Initiative (GRI)*: a 360° review of the operating environment, short- and mid-term strategy and economic planning of the GRI (commissioned by the United Nations Environment Programme).
 - *Towards Global Partnerships*: Drafting the biannual report of the UN Secretary-General to the UN General Assembly on the state-of-play in the UN-business relationship (commissioned by the Executive Office of the UN Secretary-General).
 - *Monitoring and Evaluation Framework for the Gender Capacity Standby Project*: Development of a comprehensive M&E Framework for program designed to enhance gender performance of humanitarian missions, including development of a computer-based scorecard (commissioned by the United Nations Office for the Coordination of Humanitarian Affairs).

Jan Martin Witte, Ph.D.
