## 4th African National Oil Companies: Strategy Briefing

*An in-depth review of the status, strategies, and future directions of  
African National Oil Companies and Governments*

# 4th African National Oil Companies

27 March 2007, Radisson Edwardian Mayfair Hotel  
*State Players: Strategies, Ventures, Future*

This 4th Annual 1-Day Strategy Briefing on African National Oil Companies, presented by Dr Duncan Clarke (Chairman & CEO, Global Pacific & Partners), the leading strategist on African National Oil Companies, provides a unique insight into the State-Owned Entities and Governments shaping the Continent. It reviews organisation and management, strategies in the upstream, new ventures (domestic, regional and international), Government policies, acreage and upstream issues, and includes evaluation of foreign National Oil Companies active in African exploration and development.

Delegates receive Briefing CD with Presentations (950+ Images), plus industry networking in an interactive and intensive forum. The Briefing takes place immediately prior to the 4th African Petroleum Forum 2007 in London, which is followed by the separately bookable PetroAfricanus Dinner in London with Guest Speaker, at 19.00 hrs
